Old Dutchmen on Skates. The ice in Holland is an exhibition ground for quaint attire. The couples in the picture are too comfortable, one fancies, to be representative of any particular fashion. They are, perhaps, discussing a youthful skating expedition from Rotterdam to Gouda and back, a total of 25 miles or more, for this exploit has often tempted the Dutch athlete.
Dear Lil,
We are all well and hope this will find you the same we are having fine weather and I am enjoying myself all I can only kids are well. Give my love to Ollie I will write a letter later.
Will close with love
